

Sprint 3 Report

Product name: Mirr.or (a sentiment journal)

Team name: Operation 115A

Date: 2/23/2021

Actions to stop doing:

- Prevent a lack of tasks, so that everyone has something to do

Actions to start doing

- Maintain proper git tracking accountability and contributor attribution
- Conduct proper Scrum practices
- Better communication on what the finished product will look like
- A clear and concise backlog
- Better task assignment
- Mid-Sprint Check-in

Actions to keep doing:

- Peer programming
- Meeting Frequently
- Unit testing
- Short meetings
- Frequent Back-end Front-end Communication

Work completed:

- As a user, I want my app to be hosted on a server.
- As a user, I want to view my past journal entries.
- **Frontend refactoring
 - a. As a user, I want to be able to submit a journal entry.
 - b. As a user, I want to be able to view past journal entries on the calendar.
 - c. As a user, I want my mood score to correlate to a color on the calendar.

Work not completed:

- As a user, I want to be able to sign into a personal account
- As a user, I want to be provided an inspirational message after a series of bad days.
- As a user, I want to be able to delete old entries
- As a user, I want to see my mood score reflected as a color
